

## Wait Upon the Lord

I don't know if this was my mother's life verse but it was certainly one of her favorite verses in the Old Testament. The prophet Isaiah writes, "But those who wait on the Lord, shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint" (Isaiah 40:31). To wait upon the Lord means to trust Him during the process even when things are not going as quickly as you would like. To wait upon the Lord means to place your hope in Him, and believe that He is at work even when nothing seems to be getting done. To wait upon the Lord means to be patient even when you think something needs to be accomplished.

**Waiting is still difficult.** Because we expect everything to be at our fingertips the moment, we have the desire for it. It is the world that we have grown accustomed to and it is addicting. We live in a world of high-speed access, where we can retrieve our emails, text messages, phone calls, and downloads instantly. Our attitude is, "I want it and I want it now!"

**Yet God still finds ways of making us wait.** We wait for the water to boil. We wait for the coffee maker to make a pot of coffee. We wait for someone to get out of the bathroom. We wait in the drive-thru at McDonalds. We wait in line at Wal-Mart. We wait for our dinner to come to the table at a restaurant. We wait for a baby or grandbaby to be born. We wait for our kids to grow up. Then we wait for the kids and grandkids to come see us. Others are waiting for a spiritual breakthrough where God will open their eyes.

**Waiting is the embodiment of faith.** In Hebrews 11:13 we are reminded that faith involves trust in God's promise even if the promises of God are fulfilled long after we are gone. The writer says, "These all died in faith without having received the promises, but they saw them from a distance." Faith and waiting go hand in hand.

**Are you struggling with a lack of faith?** That's OK. It doesn't take much faith to get God's attention. Jesus encouraged his frustrated followers this way: **"If you have faith the size of a mustard seed, you will tell this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you"** (Matthew 17:20). Most of us try to grow a forest in one day. Jesus, however, invites you to begin with a tiny seed. Watch it grow and wait for it to become all that you dreamed it would be.

**What are you waiting on God for this year?** Take time, right now, to reflect on the fact that God's timing is quite different from ours. Jesus gives us the assurance and joy that He will break through at just the right time. Are you willing to plant that seed of faith and wait upon the Lord? Even if nothing seems to be appearing on the horizon today, just wait! God always keeps his promises, even to those who have little faith. Just wait. Encourage someone you know who is weary of waiting. Remind them of God's promises.

May God bless you and your family during the month of February as you wait upon the Lord.

**In Christ's arms, Brother Matt**

**February 14 will be a very special day as we celebrate Valentine's Day and the beginning of Lent with our Ash Wednesday worship.**

Come to our FLC from 5:15—6 p.m. as our fabulous kitchen crew is preparing a wonderful meal filled with lots of love/ After the meal we will go over to our Sanctuary at 6 p.m. for our Ash Wednesday Worship. (No Bible Study)

**What is Ash Wednesday, Lent and why does it matter?** Ash Wednesday is traditionally observed as the first day of Lent. Many Christians attend special Ash Wednesday church services, at which churchgoers receive ash on their foreheads as a sign of repentance. Lent is the 40 day period from Ash Wednesday to Easter and is a season of fasting, repentance, moderation, self-denial, and spiritual discipline. The purpose of the Lenten season is to set aside time for reflection on Jesus Christ—to consider his suffering and his sacrifice, his life, death, burial, and resurrection.

February always brings more conversations than usual about what it should look like to care for others in all areas of life, which means this month is always a prime opportunity to dive even deeper into what God and His Word says it should look like to love Him, ourselves, and others each day! In addition to discussing how to find our true identity and life's purpose by pursuing a relationship with God this month, we will celebrate God's sacrificial and unconditional love at our annual Agape Day Party, continue reflecting on that love and our hearts as Lent starts, spending time making memories together in His creation on a hike, and showing His love to others by helping with a Parent's Night Out!

**This Month's Continued Discussion Focus:**

Does life ever feel like a never-ending waiting game? When you think about the person you're becoming and what your future holds, do you ever just want to skip ahead in your story to see how it all turns out, who you'll become, what you'll do, or what kind of difference you'll make? This month we'll talk about and explore together all the questions, fear, frustration, and excitement that thinking about our futures can bring. As we explore passages from Ecclesiastes, Revelation, and more; we'll discover four truths about what God has in store for us: **we're all a work in progress, your purpose is to be like Jesus, God's plans for you are good, and your next step is to get closer to God.**

May, graduation, and Senior Sunday will also be here before we know it! If you would like your graduating senior to be recognized and celebrated by the student ministry, or know of a graduating senior who is part of our church family and should be recognized, let me know at [jamie@firstwetumpka.com](mailto:jamie@firstwetumpka.com) **by April 7th, 2024!**

For all the other exciting, weekly, and community building things happening this month, check out our page on the church's website, and/or contact me at the email address listed above if you have any questions! Please make sure you are on our text and e-mail list for all updates and access to other helpful tips, tools, and resources for growing a relationship with God personally and as a family!

**In Him, Jamie**

This month, we are starting our new series, Gear Up: An Adventure in Kindness. We will be learning all about Kindness. God showed kindness by sending Jesus for us—even when we didn't deserve it. Because of God's love for us, we can be kind to everyone. Kindness is a fruit of the Spirit. And when you show kindness to others, you give them a glimpse into the heart of God and how much God loves them. Not only did Jesus model kindness, but He also commanded it. He taught us to treat others the way we want to be treated.

**Monthly Bible verse:**

***“You are God’s chosen people. You are holy and dearly loved. So put on tender mercy and kindness as if they were your clothes. Don’t be proud. Be gentle and patient.”***  
**Colossians 3:12**

**Monthly virtue:**

**Kindness: Showing others they are valuable by how you treat them.**

February will be an exciting month for our children's program. We will be going on a hike down the new bird trail, having our annual Valentine's Day party, and hosting a parent's night out. I am looking forward to all the fun and memories to be had with our kids.

As always, I want to thank our amazing volunteers for all their work and the love they give to all the kids each and every day. You all are amazing.

**Blessings,  
Mrs. Ashley**

# Senior Adult Ministry

It has been so cold. We have all been hibernating, but unlike the animals that hibernate we have been filling ourselves with nice warm food. So you better watch out, fasting maybe in your future. Always remember you can experience all four seasons in one week in Alabama so always be prepared!

February brings Valentines and Mardi Gras on the same day this year and the **Keenagers will be starting a day ahead on Tuesday, February 13 at 12 noon in the family life center.** We will kickstart this day with a wonderful soup and sandwich lunch with lots of fancy desserts. Then we will enjoy a game of trivia led by Debbie Callahan. You can dress for your favorite day (Valentine's or Mardi Gras) if you would like to.

Our January planning day was a success. We planned menus for our luncheons here at the church and picked some places to go on our day trips to eat. We would also like to do an outreach to the Wetumpka Gardens in the coming year. If you have any ideas of things we could do with them or if you are interested in participating or maybe sponsoring an activity please let me know. Watch for details to be posted on the church website and in the bulletin. Please mark your calendars for these dates and attend if you can.

Thanks in advance to everyone that will be making this a great year. Cooks, planners, decorating, cleaners and bus drivers just to name a few. Everyone that supports the Keenagers group will enjoy serving the Lord and serving and supporting each other.

*An umbrella cannot stop the rain, but it allows us to stand in the rain. Faith in God may not remove our trials, but it gives us strength to overcome them.*

I always believe, Gloria (334) 312-1764
