VISION & PROCEDURES

If you see someone breaking one of these rules, come to an adult to address the issue instead of talking about it openly with other students. Our goal in all of these rules is to create a welcoming environment, grow closer as a student ministry fam, and most importantly grow more into the loving likeness of Christ (not to shame others or make them feel unwelcome).

Breaking of any of these rules may result in these steps:

1. The student will be asked by an adult leader to correct the behavior.
2. The student minister will talk with the student to discuss the problem behavior.
3. Parents will be notified of discipline or behavior problems.
4. The student will not be allowed to attend ministry event(s) for a determined amount of time based on the severity of rule(s) broken.
5. A talk with both the church pastor and student minister to determine next steps.

Any questions about violations and enforcement will be decided by the student minister.
